US NAVY FLIGHT DECK TRACTOR SERIES NO.0201

CARRIER TOW TRACTOR (OLD LONG STYLE)

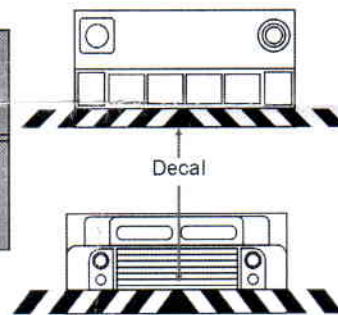

Dream Model was born. The unique direction lets us go together. Now dream begins. We believe everyone has a dream no matter what it is, good or bad, big or small. If it is only in mind, it is only a dream. Not every dream comes true because too many people just say "I have a dream". That's ok. We have dreams until one day we suddenly find "we gotta do something". Our dream is big, but it has started. Let's move!
